THE COURT: You may be seated.

Members of the jury, I hope you had a good evening.

Before we get started with the resumption of the testimony, I'm going to give you an instruction. I'm going to take judicial notice of the following, and I instruct you as to the following. This pertains to the witness who's testified about cell site locations.

You're instructed that Coordinated Universal Time is four hours ahead of Eastern Standard Time during daylight saving time and five hours ahead otherwise. Daylight saving time ends on the first Sunday of November each year. Therefore, on October 15-16, 2018, the times listed on Government Exhibit 202 in UTC are four hours ahead of the local time in New York City, which is on eastern daylight saving time in October.

All right. Ms. Bracewell, you may proceed.

MS. BRACEWELL: Thank you, your Honor.

FELICIA ROSARIO, resumed.
